

PT-61 The PORTABLE TACTICAL TARGET WITH A NEW

TWIST!SM

PT-61A

PT-61B

PT-61

PRODUCT FEATURES:

- Each target pops up, swivels, twists and/or rotates 0°, 90°, or 180° in a SINGLE target cycle.
- Unique BI-DIRECTIONAL target configuration built into a high speed pop up target mechanism.
- With BI-DIRECTIONAL target motion, TWO target images ("Shoot - Don't Shoot") can be presented during a SINGLE target exposure.
- Housed in a rugged, compact, very low profile, waterproof, all weather cast aluminum enclosure.
- Very portable; each target weighs less than 45 lbs. (including power supply).
- "Plug in and play" design for quick set-ups, relocations, and existing in-field expansions.
- Hardwired AC or wireless DC powered models available.

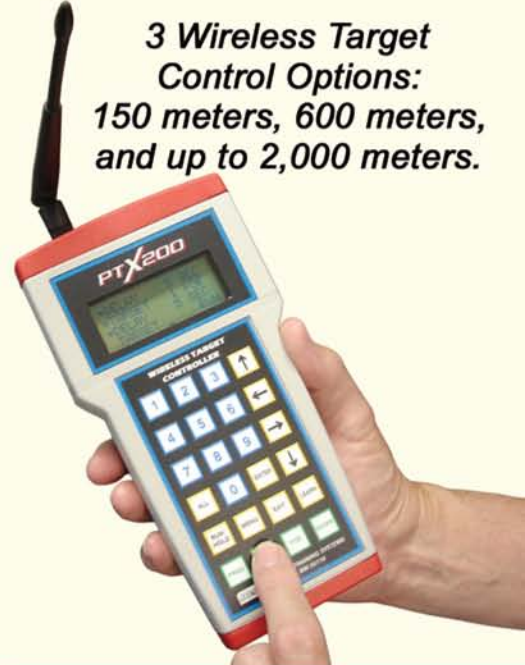

OVER FOR MORE PRODUCT FEATURES
